

TEMPORARY FOR-HIRE LIMOUSINE LICENSE APPLICATION January 25, 2007 – February 8, 2007

1 INSTRUCTIONS:

This document outlines the procedures to be followed to apply for a temporary limousine license. Temporary licenses may be applied for by limousine operators currently licensed by a state or political subdivision of a state to engage in the limousine business or to operate a limousine as defined in Section 31-601 (u) of the Miami-Dade County Code, which states: "Limousine means a luxury limousine sedan, a stretch limousine, a super-stretch... which provides service on a pre-arranged basis only, which is dispatched by its central business location." Temporary licenses may also be applied for by limousine companies currently licensed by Miami-Dade County who desire to add vehicles to their fleet for the Super Bowl. Listed below are the classes of services and their definitions:

LUXURY SEDAN: A luxury, non-metered vehicle of a wheelbase size smaller than a stretch limousine, as defined by the Consumer Services Department. Currently, the CSD qualifies vehicles with an original Manufacturer Suggested Retail Price (MSRP) of at least \$42,000.00 for sedans and \$45,000.00 for luxury SUV's. **ONLY THE MAKES AND MODELS ON THE CSD DEFINED LIST MAY BE USED** (attached). Vehicles considered luxury sedan limousines include, but are not limited to Lincoln Town car, Cadillac Deville and Seville, and Mercedes-Benz and luxury SUV's. Vehicles must be black, white, silver or navy blue in color. No vehicle that exceeds five (5) model years of age will be licensed.

STRETCH: A sedan cut and stretched a minimum of forty-two (42) inches beyond its standard basis, manufactured to carry between six to eight persons, excluding the drivers. No vehicle that exceeds five (5) model years of age will be licensed.

SUPER-STRETCH: A luxury vehicle stretched a minimum of one hundred twenty (120) inches beyond its standard basis, manufactured to carry between nine or more passengers including the drivers. No vehicle that exceeds seven (7) model years of age will be licensed.

- Complete and notarize the application form. Type or print neatly.
- All questions must be answered completely by applicant. Do not leave blanks. Note N/A if not applicable.
- Submit as Attachment #1 a copy of the license issued to your company by a state or political subdivision of a state to engage in the limousine business or to operate a limousine.
- Submit as Attachment #2 copies of the Certificates of Insurance for each vehicle. Each certificate must include a Schedule of Insured Vehicles and Drivers. Each certificate of insurance must include limits of liability no less than one hundred thousand dollars (\$100,000.00) per person, and three hundred thousand dollars (\$300,000.00) per occurrence for bodily injury, and fifty thousand dollars (\$50,000.00) per occurrence for property damage. If you wish to submit a blanket certificate of insurance, a listing of all the vehicles and drivers covered under the insurance must be provided along with the certificate.
- Submit as attachment #3 copies of valid driver's licenses for all chauffeurs listed on the application. If issued by the jurisdiction of origin, also attach copies of the valid chauffeur's registration or license for each chauffeur.
- Section 6 of the application must be completed by the holder of a current Miami-Dade County for-hire limousine license sponsoring the temporary license applicant. The sponsor will be responsible for ensuring the quality of the vehicle (age and vehicle type), the training of the operator, lost and found/complaints, for-hire Code violations and, that the insurance requirements are met.
